

DELHI WORLD PUBLIC SCHOOL, NOIDA EXTENSION

C.No. dwps/11 /19-20

Pre nur - X

16th April'19

In the words of George Bernard Shaw, "Progress is impossible without change, and those who cannot change their minds cannot change anything."

Dear parents

Warm greetings!

Earth Day is a global event, a special day to realize the importance of our Mother Earth. It is the time to thank nature for all its bounties. This year, **Earth Day's global theme is 'Protect our Species.'** Therefore it is the day when we pause to think about the Earth and its wealth in the form of flora and fauna.

'Protect our Species' is a call to take action and to come together to combat the threat and danger to the endangered species. Earth Day 2018 invites us all to consider how we can modify our habits to save the earth in its true essence.

Here, in Delhi World Public School, Noida Extension, every effort is made to spread awareness about the current issues and sensitize children about their specific role that they will have to play as future citizens. The plan for the week is enlisted for each department, having chosen age appropriate activities which will leave an imprint on the impressionable minds of the students.

Day/Date	Pre-primary (Pre-nur - Prep)	Primary (I – II)	(III – IV)	Middle (V – VII)	(VIII – X)

To raise the awareness of the students '**Best out of Waste**' is encouraged at all levels – from House boards to Class boards and class activities. An effort to **reduce unwanted use of paper** has been initiated by the school and we look forward to a day when it will turn into a paperless school and all circulars and **important communication will be done online**. The week long activities will **end with a pledge** to conserve nature. Throughout the year the theme will keep reverberating in the minds of the students in the form of **class presentations, movie shows etc.**

Looking forward to the week ahead with fun and learning happening simultaneously.

Warm regards

Ms. Jyoti Arora
Principal
