Value of the Month: TOLERANCE

Dear Parent,

The Month of September will drizzle learning opportunities for our shining stars. The value of Tolerance and the celebration of Grandparent day will help children in respecting and learning from others.

Delhi Public World School has planned to incorporate a curriculum in September 2018 to ensure students have the best education for the future. The new program allows students to gain the skills that will make them successful. This curriculum gives students and teachers the opportunity to create a learning plan that works for each student's learning style. Keeping parents and guardians in mind the new curriculum will allow for parent/ guardian involvement with parent's teacher consults.

राजा रानी वाले किस्से,
