DWPS Champs Attempt to Create Guinness World Record

18th Dec'20

Dear parents

Warm greetings!

The most prestigious and historical event of India International Science Film Festival is the Guinness World Record Sundial Activity to be conducted on virtual platform on 22nd Dec'20

The Ministry of Science and Technology and Ministry of Health and Family Welfare and Ministry of Earth Sciences in association with Vijnana Bharati (VIBHA) have been organising this mega event- **India international Science Film Festival (IISF)** annually in different parts of the country since 2015. The **sixth edition of IISF** will be organised 'virtually' owing to the restriction in view of the pandemic. It is a matter of great honour that this unique science festival (IISF 2020) which is **scheduled during 22 – 25 Dec '20 will be inaugurated by Hon'ble Prime Minister Shri Narendra Modi.**

Every year **IISF is adorned by a GWR attempt** since 2015. This year the mission is to instil scientific fervour in young students by **attempting a world record title on the 'Largest Assembly of Sundial Nation – Wide'**. The **Record Attempt is scheduled to be held on 22nd Dec '20 between 9:00 A.M. – 1:00 P.M.** The students will **participate virtually** from their respective homes. An attempt is being made to create a new record with the participation of over 6000 – 10,000 students from **almost 17 countries** across the globe. Students from **approximately 200 schools have been invited** to participate in this mega event.

It is a matter of **exceptional pride and honour** that **DWPS NE, the only school selected in the Greater Noida region,** has **60 student champions** out of 6770 students from India to create this record. They will get **ONCE IN A LIFETIME opportunity** to participate in the **Guinness World Records (GWR) activity** during **India International Science Festival (IISF -2020).** **DWPS congratulates the selected students along with their esteemed parents and their able mentors for this excellent achievement.** All the participants will be awarded an **E- certificate for participation with the Guinness World Record Logo and a memorable E- kit containing the E book 'Scientists Greater Than Einstein'**. The participants may have to take up one or two **mock sessions** before the programme.

Wishing all the participants the absolute best and looking forward to an opportunity to work together in creating the world record attempt under the guidance of IISF – GWR team.

Warm regards

Ms. J. Arora
