

DELHI PUBLIC WORLD SCHOOL, NOIDA EXTENSION

Pre-Nursery – X

C.No. dpws/26/18-19

9th Aug'18

Dear parent,

Warm greetings to one and all!

"A cup of tea is an excuse to share great thoughts with great minds"

With immense pride and pleasure, we would like to apprise you about the commencement of 'Tete-a-Tete' - Teacher Home Visit Programme, as part of our ongoing process of strengthening the bond of partnership that aims to encourage students' academic, social, emotional and personal development by helping them know themselves better and find effective solutions to their daily problems by improving themselves in all areas and be full-functioning individuals.

A home-visit programme is about identifying parents and teachers as 'co-educators', who share adequate knowledge about the student. It's about helping teachers become culturally aware and parents seriously involved in their child's education. It can build meaningful parent-teacher partnerships — the kind of family engagement that research has shown to boost school attendance and willingness to do homework, reduce discipline problems and dropout rates, and raise student achievement and social outcomes. It also can end the cycle of parent-teacher concerns, by building trust between teachers and parents.

The home visit will be done by the concerned teacher once in a session for the student as per teacher's and parent's convenience over a cup of tea to exchange and share some valuable thoughts. Therefore, your kind cooperation is expected as this 'Teacher Home Visit Program' if done correctly, can give teachers, parents and students a better opportunity for connection, communication and collaboration. If you would like to host your ward's teacher to spend an exclusive quality time, please contact the Class Teacher.

Looking forward to your cooperation.

Warm regards

Ms. Jyoti Arora
Principal
