

SCHOOL SCOOP JULY '24

EDUCATION IS THE FOUNDATION UPON WHICH WE BUILD OUR FUTURE.

International Education Week – Global Waves A Carnival !!

“

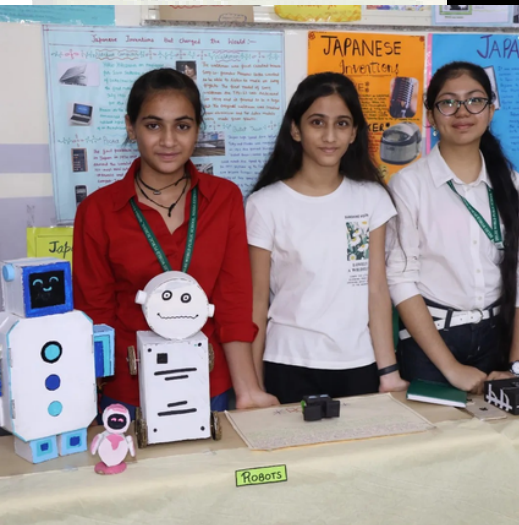

”

Learning beyond borders: Cultivating curiosity and cultural awareness.

International Education Week – Global Waves A Carnival !!

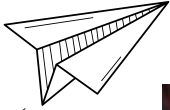

GLOBAL CLASSROOMS: WHERE EVERY LESSON IS A WINDOW TO THE WORLD.

Learning beyond borders: Cultivating curiosity and cultural awareness.

Global Amite An Inter- School French & German Cuisine & Monument making competition

International Exposure: Key ingredient in nurturing future innovators.

"EDUCATION IS NOT JUST THE LEARNING OF FACTS, BUT THE TRAINING OF THE MIND TO THINK HOLISTICALLY."

At Delhi World Public School, NE, we believe in holistic learning and strive to provide enriching educational experiences. Recently, our School Integrated Program (SIP) students visited the National Science Centre, New Delhi. This trip was an incredible experience, embodying the essence of experiential learning

CHESS

The Inter House chess competition saw enthusiastic participation, with the winners truly proving their mettle. Well done to the champions!

Crossing borders, expanding horizons: The power of educational exchange

NO FLAMES, JUST FLAVOR:
FIRE-FREE CULINARY ADVENTURES!
