

# SCHOOL SCOOP

## DECEMBER EDITION

**December** was a truly happening and festive month at Delhi World Public School, Noida Extension, filled with learning, celebrations, and moments of pride. The campus came alive with a vibrant Aladdin-themed Christmas celebration, where students dazzled the audience with colorful performances, spreading joy, creativity, and the spirit of togetherness. The month also witnessed a prestigious Citation Ceremony, honoring students for their outstanding achievements and commendable efforts across academics, sports, and co-curricular activities—making it a proud moment for the entire school community. Adding an intellectual dimension to the celebrations, Ramanujan Day was observed with great enthusiasm, inspiring students to appreciate the brilliance of India's legendary mathematician through engaging activities and reflections on innovation and logical thinking. Altogether, December at DWPSNE was a perfect blend of festivity, recognition, and meaningful learning, making it a memorable conclusion to the year.

# ALADDIN

The epic tale of Aladdin truly came alive at DWPS Noida Extension, leaving everyone mesmerized with magic, music, and timeless wonder! From the adventurous spirit of Aladdin to the enchanting charm of Agrabah, the performance transported us to a world of dreams and courage. It was a night filled with joy, creativity, and unforgettable memories!

## CAREERS

Guiding Futures, Shaping Dreams!

An insightful Career Counseling Session on CUET was conducted for Class IX & XI students, equipping them with essential knowledge about eligibility, exam pattern, syllabus, and preparation strategies. Students explored the wide range of undergraduate opportunities offered through CUET and learned how to strategically plan their academic journey. The interactive Q&A segment helped clear doubts and inspired students to aim higher with confidence.

## GRANDPARENTS' STORYTELLING SESSION AT DWPS

Grandparents' storytelling sessions are true treasures — connecting children to family roots, culture, and timeless values. Through these heartfelt tales, our young learners develop empathy, creativity, and confidence, while strengthening the beautiful bond between generations.

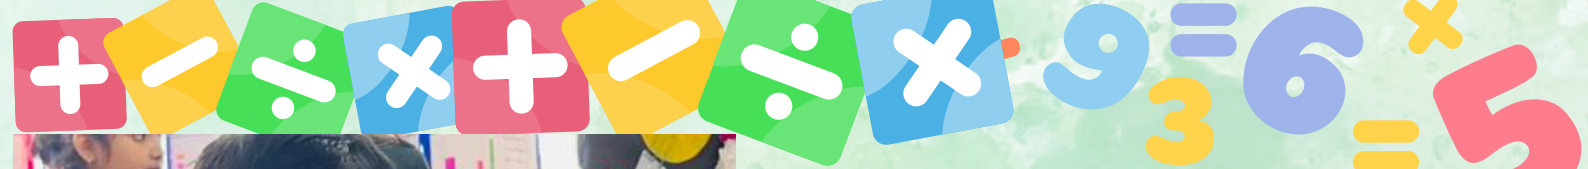

DWPS Noida Extension conducted a captivating **Astronomical Observation Session** on 5 December 2025 for students of Grades I-IX. From safe solar viewing of sunspots through 200mm and 76mm Newtonian telescopes to digital sky mapping with Stellarium, students explored constellations like the Summer Triangle.

# MATH MAGIC MANIA WHERE NUMBERS CAME ALIVE!

DWPS Noida Extension celebrated Math Magic Mania with creativity, innovation, and joyful learning. The event opened with a vibrant cultural programme featuring a melodious Math Song, energetic Shapes Dance, and a fun-filled Numerals Dance. Exhibition rooms buzzed with excitement as students showcased charts, games, and 3D models on symmetry, patterns, measurements, puzzles, and real-life math applications. The Jodo Gyaan corner and Vedic Math booth were major highlights, offering hands-on learning and quick calculation techniques that amazed everyone.
